As a new normal emerges, we would like to take all possible precautions to make sure everyone stays healthy and safe. Critical elements of any plan must include social distancing (6 feet apart), hand hygiene, covid-19 screening, appropriate use of surface and equipment cleaning.

Prior to arrival at the Boathouse:

2. All members coming to the boathouse should be in good health with a temperature under 100.4 degrees, no cough, headache or other signs of the virus. If you have been exposed to the virus please be sure you have quarantined for at least 14 days. Forehead swipe thermometer will be provided by the County & will be disinfected after each use.
3. Temperatures will be taken upon arrival by a CCB employee in lobby except for the crew teams that will have their temps taken by their coaches on the pad
4. Proper mask covering is to be worn at all times from leaving your car, entering the boathouse, preparing and carrying the boat to the water. You may remove your face covering to row but need to put it back on when you return to the dock.
5. All coxswains will need to wear a mask and goggles at all times
6. Social distancing, at least 6 feet apart will be enforced by coaches, and Boathouse staff.
7. 2nd floor facilities will be off limits
8. Restrooms will be accessible on 1st floor and will allow 4 people in at a time

Parking:

- 1 Remember to maintain proper social distancing
- 2 Do not congregate in the parking lot or on the deck. Once done rowing and cleaning equipment please leave the area in a timely manner

In the Bay:

1. 10 people TOTAL are allowed in the bay at one time. If more people arrive they must wait outside the bay and only enter when one of the rowers leave the bay
2. Each program will supply their own sanitizing products i.e. purell, lysol wipes. A list of sanitizing products needs to be sent to the CCB upon approval of program. Also please designate an individual who will be disinfecting or monitoring the disinfecting of each single or equipment used.
3. Sculling blade handles and shafts to the collar need to be wiped down with alcohol or disinfectant
4. All surfaces that have contact need to be wiped down frequently. This includes but is not limited to railings, launches, equipment, door handles, bathroom surfaces, etc...

On the Pad/Docks:

1. Place slings adequately distanced apart from the other boats
2. Minimize your time on the docks by launching in a timely manner
3. Remember social distancing
4. Stay off the dock unless you are carrying a boat

Rower Responsibilities:

1. Arrive as close to start time as possible
2. Wear mask upon exiting your car and while on land
3. Maintain hand hygiene frequently

9. Rowers will return to dock (with mask on) in an order designated by the coach and return equipment to the boathouse as instructed by the coach
10. Rowers will carry shell to boathouse and place on stretchers and disinfect all hand contact areas. The shell will be hosed off and dried using a designated towel and disposal bag
