

Haddon Township Crew's Open House at the Boathouse

Saturday, September 8, 2018

10am - Noon

Camden County Boathouse | Cooper River | 1050 N. Park Drive

This event is open to all. Those just curious about rowing, those who want to see the 'working' side of the boathouse, and those who need more information to decide if crew is a sport for them. Whatever the reason - please stop by.

The Open House will provide you with a chance to speak with the coaches, rowers and parents. You can look over the equipment, tour the boathouse, test out an erg, learn more about the sport.

Crew is a sport with many benefits. It could be just what you're looking for.

Check out our website htcrewclub.org to learn more about the team.
